

Thursday 11th June 2020

Good Morning Reception Class,

In our story this week of *The Princess and the Wizard* by Julia Donaldson, each day the Princess tries to disguise herself to escape from the Wizard. I would like us to practise learning our days of the week by singing our Days of the Week song. I would like your grown-up to write out the days of the week on a piece of paper and then cut them out, mix them all up and then you have to put them in the right order. You can sound some words out and make a good guess about the others. Sing our Days of the Week song to help you put them in the right order.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 7, Day 4 activity. Today you are learning about halving and sharing.

I would like you to count up to 20 using the voice of the evil wizard and then count back down again to zero using the voice of the scared princess who thinks she will never escape.

Today I feel like dancing so we are going to dance along with some other children. It's always better when you are dancing!

See you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
