

Watch the 4 clips by following the link above

Can you challenge yourself to think all the way back to our topic in the Autumn term, Adventurers and Explorers, when we looked at fossils and how the Earth was formed over millions of years? See how much you can remember! 😊

Activity one

Test your knowledge of what you have remembered and learned so far with this quiz:

What is a rock? Quiz

Test your knowledge of rocks with this quiz.

Play

Activity Two

Now, challenge yourself further to fill in the blanks:

Activity Three

Have a look at these two activities – a rocks wordsearch and a dinosaur / fossil matching game. Don't worry if you can't print these off, have a look on your device's screen and see what you can match on there.
