

Tuesday 24<sup>th</sup> March, Year 5

English

We have been studying “The Highwayman” by Alfred Noyes.

You can remind yourself of the poem here:

<https://www.youtube.com/watch?v=eLbfPsdlymg>

Look at the picture of the Highwayman and Bess. What are they talking about? Imagine their conversation. Are they planning to run away together or meet again in secret?

Write your imagined conversation as a **playscript**.

## **Maths**

Watch this clip. It will remind you how to add fractions with denominators that are multiples of the same number.

<https://www.youtube.com/watch?v=-KT90mqWIMg>

Now choose your chilli challenge and complete it in your book:

|   |   |  |
|---|---|--|
|  |  |  |
| $\frac{1}{4} + \frac{2}{8} =$   | $\frac{6}{18} + \frac{2}{6} =$  | $\frac{7}{10} + \frac{19}{30} =$   |
| $\frac{1}{3} + \frac{2}{6} =$   | $\frac{9}{20} + \frac{2}{5} =$  | $\frac{2}{8} + \frac{17}{32} =$  |
| $\frac{1}{3} + \frac{2}{9} =$   | $\frac{9}{10} + \frac{17}{30} =$  | $\frac{32}{49} + \frac{5}{7} =$  |
| $\frac{2}{5} + \frac{6}{10} =$  | $\frac{2}{11} + \frac{15}{33} =$  | $\frac{64}{81} + \frac{7}{9} =$  |
| $\frac{5}{12} + \frac{3}{6} =$  | $\frac{12}{25} + \frac{3}{5} =$   | $\frac{4}{6} + \frac{29}{36} =$  |
| $\frac{7}{16} + \frac{1}{4} =$  | $\frac{7}{21} + \frac{2}{7} =$  | $\frac{1}{4} + \frac{21}{28} =$  |
| $\frac{8}{15} + \frac{3}{5} =$  | $\frac{6}{8} + \frac{9}{24} =$  | $\frac{84}{99} + \frac{9}{11} =$   |

## **Extras**

Don't forget to read your book!

Practise your times tables – look at <https://www.timestables.co.uk/games/> and create a free account.

Log onto NumBots and Times Table Rock Stars.

## **Whole week projects:**

### **History**

Watch these video clips about life in Mayan times:

<https://www.youtube.com/watch?v=iaKofHyZ00c>

<https://www.bbc.co.uk/teach/class-clips-video/introducing-the-maya-civilisation/znk3cqt>

Task:

Create a mini fact-file / information text about the Mayans – you can also do your own extra research on the internet, if you are able.

You will need:

- A title
- An introductory paragraph
- Subheadings
- Key facts (make notes as you're watching the videos!)
- To write in full sentences.

You could illustrate your work with Mayan art work, if you like!

### **Science**

- Create a poster explaining the importance of a healthy lifestyle- think about how you keep healthy and active. Why is that important?
- <https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zyv3jty> - watch the clip and then complete the interactive activity to put the life cycle in order.
