

Monday 22nd June, Year 5

Hi everyone!

I hope that you all are keeping up with your learning and enjoying the time you get to spend with your families.

At this time of year, we usually start to think about what we have achieved during this academic year and set ourselves targets for the next one. Although this year has been very different, we can still reflect and make plans for the future! What are you proud of? What would you like to achieve next?

If you find any of these lessons or activities too difficult, please don't worry! Use this link to select a lesson from the Year 4 section, or even Year 3!
