

Friday 3<sup>rd</sup> July 2020

Happy Friday Everybody!,

Today I would like you to listen to the story of Oliver's Fruit Salad by Vivian French. After you have listened to the story I would like you to make your own fruit salad just like Oliver did. In your book I would like you to write your instructions for making a fruit salad. This is how I might write my one.

First I wash the fruit

Then I chop

Next I mix

Last I eat the fruit!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 10, Day 5 activity. Today you will be thinking about doubling numbers and also measuring objects around your house using vegetables!

Today I am sending you 'Happier' to dance along to. Play the link a couple of times until you learn all the moves as it is quite quick so you will need to concentrate!

Have a lovely weekend and we will see you next week.
