

Tuesday 7<sup>th</sup> July 2020

Good Morning Reception Class,

Yesterday we listened to the story of The Dinosaur who pooped a planet by Tom Fletcher and Douglas Poynter. Today I would like you to draw a dinosaur in the middle of your page and then around it draw all the things he ate in the story. I would like you to think about the colour and shape of the objects he ate. Rewatch the link again so that you can remind yourself about all the different things that the Dinosaur ate!

[https://www.youtube.com/watch?v=hJLWmegE\\_CE](https://www.youtube.com/watch?v=hJLWmegE_CE)

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 11, Day 2 activity. Today you are going to make patterns using colour blocks and create dinosaurs using your handprints!

Let's sing our number song together. You should be really good at this counting song by now!

For today's exercise I would like you to move it to the song Move It!

Have fun!
