Mobile Phone Policy

Approved by Local Advisory Committee: 29th November 2022
Review: October 2025

This policy provides clear guidance on the use of mobile phones in school by both staff and pupils

Introduction

Ivingswood Academy has a clear policy on allowing pupils to bring mobile phones into school and this policy makes explicit reference to camera mobile phones.

Camera Mobile Phones

Camera mobile phones are now the norm and a built-in digital camera enables users to take high resolution pictures. These can be sent instantly to other mobile phone users or email addresses. They can also be posted on the internet or in chat rooms.

There is a potential for camera mobile phones to be misused in schools. They can become an instrument of bullying or harassment directed against pupils or/and teachers.

Staff policy

Staff use of mobile phones during their working day should be outside of their directed time hours and discreet and appropriate eg: not in the presence of pupils.

Mobile phones should be switched off and left in a safe place during lesson times. The school cannot take responsibility for items that are lost or stolen.

Staff should never contact pupils or parents from their personal mobile phone or give their mobile phone number to pupils or parents. If a member of staff needs to make telephone contact with a pupil, they should use the school telephone in the office. Should a personal mobile phone need to be used in an emergency situation, or should a further period of remote learning be in place, staff should ensure that they have blocked their number from being disclosed either by using their phone settings or by dialling 141 before the telephone number.

Staff should never send to, or accept from, colleagues or pupils, texts or images that could be viewed as inappropriate.

With regard to camera phones, a member of staff should never use their phone to photograph a pupil(s) or allow themselves to be photographed by pupils.

This guidance should be seen as a safeguard for members of staff, the school and the Local Advisory Committee. Staff should understand that failure to comply with the policy could result either in disciplinary procedures or in the enforcement of the Whistleblowing policy and associated procedures.

Parent, Visitors or Volunteers In School Policy

Adults either in school or accompanying children on school trips should not use their cameras or mobile phone cameras to take pictures of pupils unless it is at a public event such as Sports day or Summer fair and of their own children.

Adults, visitors or volunteers in school should only use their mobile phone within the confines of the school offices or staff room. Personal cameras and mobile phone cameras should not be used to take pictures of children. If parents who accompany children on a school trip are asked by the teacher to take photos as a record of the educational visit, they will be issued with a school camera. Parents accompanying children on school trips should not use their mobile cameras to take pictures of children.

Pupil Policy

While we fully acknowledge a parent's right to allow their child to bring a mobile phone to school if they walk to and from school without adult supervision, Ivingswood Academy discourages pupils bringing mobile phones to school due to the potential issues raised above.

When a child needs to bring a phone into school, the phone must be handed to the school office for safekeeping at the start of the day and collected at the end of the day. Phones should be clearly marked so that each pupil knows their own phone. Parents are advised that Ivingswood Academy accepts no liability for the loss or damage to mobile phones which are brought into school or school grounds.

Where a pupil is found by a member of staff to be using a mobile phone, the phone will be confiscated from the pupil, handed to a member of the office team who will record the name of the pupil and attach it to the phone. The mobile phone will be stored by the school office. A Parent must then come to collect the phone at the end of the school day.

If a pupil is found taking photographs or video footage with a mobile phone of either other pupils or teachers, this will be regarded as a serious offence and disciplinary action will be taken according to our Behaviour policy.

If images of other pupils or teacher have been taken, the phone will not be returned to the pupil until the images have been removed by the pupil in the presence of a senior teacher. (Please see more guidance on sexting in our child protection policy).

Should a pupil be found to be using their phone inappropriately, the school reserves the right to withdraw this privilege and they will no longer be able to bring a phone into school.

We ask that parents should talk to their children about the appropriate use of text messages and social media as they can often be used to bully pupils.

Should parents need to contact pupils or vice versa during the school day, this should be done via the usual school procedure of contacting the school office via phone or email.

The policy supports the Health & Safety, Behaviour, Preventing and tackling bullying, Child Protection and online policies. This policy will be monitored and reviewed as required but at least every two years.
