

Good Morning Wonderful Reception Class,

It was so lovely to speak to so many of you last week. I'm glad you are all doing so well and managing to carry on with your learning from home. Great job!

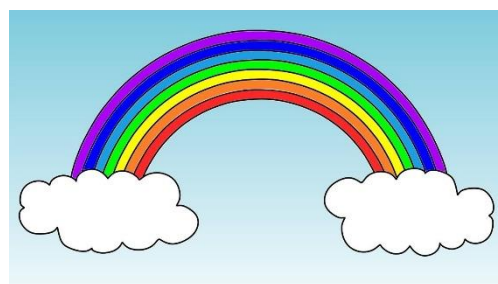

Today I would like you to watch this video clip about numbers. <https://www.youtube.com/watch?v=7vBWFOgJCwc>

In your home learning journal I would like you to write the days of the week, using as many colours as you can. Use our song to help you remember the order they come in!

Children all around the county are drawing rainbows and putting them in their windows as a way to make everybody smile! Watch the clip below and then make your own rainbow to put in your window.

See you all tomorrow

Love
