

Friday 1st May 2020

Happy Friday Everyone,

We are now at the beginning of a new month. The month of May. Could you try and sing our months of the year song? Do you remember you start off marching 1,2,3,4- 1,2,3,4 there are 12 months in the year, twelve months in the year, twelve months in the year and we know all their names! January, February March-we know! April, May, June-we know! July, August, September-we know! October, November, December-we know!!!!!!!!!!!!!!

Do you remember our story from yesterday about the 3 Billy Goats Gruff? Today I would like you to draw and label the characters in your home learning book. Make sure the goats are different sizes. You need a little one, a medium-sized one and a great big one and don't forget to make sure the troll looks terrible! Please write their names underneath so I know who everyone is. I have included the link in case you want to look at the pictures from yesterday to help you.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 2, Day 5 activity. You need to decide if the pirates have counted their treasure carefully.

Today I'd like you to dance along to these boys. They are great fun but you have to be fast to keep up with them-I am out of breath now!
