Good Morning Reception Class,

I hope you had a great weekend. It was so lovely to speak to so many of you last week and hear your chirpy voices!

Today we are going to listen to the story of The Hungry Caterpillar by Eric Carle.

I would like you to draw a picture of the hungry caterpillar and colour him in if you can. Underneath I would like you to write a few sentences about him. You can describe him or retell the story or use labels to describe him, whichever you would enjoy most.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 3, Day 1 activity. Today you will be creating your own special pictures using shapes!

To keep ourselves fit, we are going to join in with learning to dance to 'Can't shake the feeling' with some other children. We tried this in school last week and the children were very good but I kept getting it wrong!

We will see you again tomorrow
