Good Morning Reception Class,

I hope you are all well and I will be ringing you again this week to say hello and see how you are all doing.

Today I would like you to find a story book at home you haven't ever read or haven't read for ages. I would like you to ask a grown-up to read you the story. Get comfortable, curl up and enjoy.

Then write the words at, up, an, so, no in your home learning journal.

I'd like you to practise your numbers by listening to our number song

Next, ask a grown-up if you can have a little washing up liquid, shaving foam or flour and write your numbers 1-20 in the mixture.

This week I would like you to start collecting recycling so that you can start a junk modelling project next week. Collect anything you can as long as it's safe for you to use and clean.

Here's today's exercise- I like to move it!

See you tomorrow
