Good Morning Reception Class,

I hope you had a great weekend. It was really lovely to speak to so many of you and hear how well you are doing. Your grown-ups told me how hard you are working and I am so proud of you for working so hard at home. I know it is tricky sometimes, I even find it hard to do my homework at home!

Today we are going to listen to the story of The Princess and the Wizard by Julia Donaldson.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 7, Day 1 activity. Today you will be ordering the days of the week. You can always use your Days of the Week song to help you!

I would like you to play eye spy with your grown-up today but this time I want you to sound out the sounds and your grown-up has to blend them together to tell you the word e.g I spy with my little eye a c-a-t- and your grown-up will say cat!

To keep ourselves fit, we are going to join in with the shape song and remind ourselves all about our 2D shapes by making ourselves into them!

We will see you again tomorrow
