Happy Friday Everybody,

We have been reading quite a few Julia Donaldson stories lately. I would like you and your grown-up to talk about the stories you know by Julia Donaldson and decide which one is your favourite and why. Once you have decided I would like you to help your grown-up search youtube for your favourite story by this author being read out and then watch it together. You can listen to more than one if you like. Remember to listen out for those rhyming words. My favourite story book by Julia Donaldson is A squash and Squeeze!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 8, Day 5 activity. Today you are going to be thinking about positional language—so where things are e.g. in front of or behind.

Please can you sing our number song to help you remember your numbers from 1-20.

As it is Friday, I thought I had better send you this!
