

Friday 3<sup>rd</sup> April 2020

Happy Friday, Reception Class!

Today I would like you to practise your reading skills. In your pack, you will have either letter sounds, words or sentences to practise reading. Ask someone at home to listen to you reading these. Now find a story book and try to find your sounds or words you have been practising in your story book. Everytime you find one shout 'bingo!'

Next I would like you to log onto Numbots with your log in which is on the front of your home learning journals. Try the activities and ask an adult for help if you need it.

Although we can't all go outside Spring is in full bloom. Watch the following clip about the amazing things that are going on in nature. The lady is talking about an American bird at the beginning but our male birds are doing the same thing to find themselves a mate. Listen carefully and see if you can hear them!
