Good Morning Reception Class,

I hope you are all well and had a lovely weekend. It was great to see the sun out again!

Today we are going to listen to the story of Princess Mirror-Belle and the Dragon Pox by Julia Donaldson.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 8, Day 1 activity. Today you will be looking at making your own castle out of 3D shapes and thinking about repeating patterns.

I would like you to make your own repeating pattern using objects from home. For example you could use peas and pasta to make this pattern.

What would come next?

Make up your own pattern using 2, 3 or 4 different objects from around your home.

To keep ourselves fit today we are going to dance like cowboys and cowgirls! <https://www.youtube.com/watch?v=RoYxGOavSfY>

We will see you again tomorrow
