

Tuesday 23rd June 2020

Good Morning Reception Class,

Yesterday we listened to the story of Zog by Julia Donaldson. Today I would like you to draw a picture of Zog in your books and write some simple sentences about him e.g. Zog is a dragon or Zog got a golden star.

You can use your phonics and grown-ups to help you sound out the words.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 9, Day 2 activity. Today you will be thinking about counting on from a number and using gold stars to help you.

Next I would like you to use your number cards to play a game where you match numbers and amounts. So you need to mix all your cards up and put them into a pile and turn them upside down so you don't know which number you will pick-up. You pick up the card and say the number and then you give your grown-up an instructions based on the number you pick up e.g. please do 19 pencil jumps, 7 hops or 5 star jumps. You take turns so that you both do the activity!
