

Thursday 25<sup>th</sup> June 2020

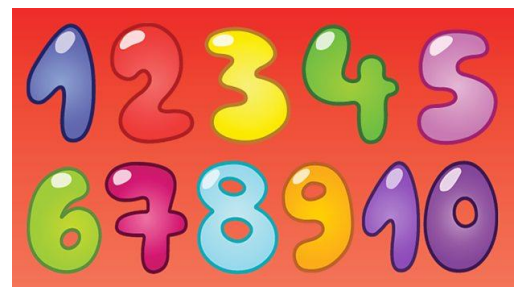

Good Morning Reception Class,

Today I would like you try the same reading activity as last week with your grown-up writing out simple word cards and hiding them around your home for you. They need to be a mixture of simple words that can be sounded out e.g. b-i-g and b-a-t and irregular words that the children need to recognise as they cannot be sounded out e.g. like and to. Write out a mixture of these words and hide them around your home and the children win points for every word they can read. Give as much support as needed for the game to be successful as we are working on building confidence in their reading skills! Please use different words to last week so that the children are learning to blend and recognise as many words as possible.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 9, Day 4 activity. Today you are making up your own dragon dance!

I have found a man for you today who does counting and exercise together! So sing along and practise your numbers from 1-20 so that when we come back to school you will be super counters!
