Happy Friday Everybody,

On Monday, we listened to the story of Zog by Julia Donaldson and today I would like you to listen to a story called Not your typical Dragon by Dan Bar-el.

Now that you have listened to two different dragon stories, I would like you to create your own dragon story to tell to your grown-up. Your dragon can be great at being a dragon or find things a bit tricky like Zog and Crispin. Think about the characters you will have in your story and what will happen at the beginning, in the middle and at the end of your story. It can have a happy ending like the ones we have listened to or a sad ending. It's up to you as it's your story. You can make it as happy, scary, sad or funny as you want to. Wow your family with your story telling skills!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 9, Day 5 activity. Today you will be using your weighing and measuring skills to make flying doctor biscuits!

It's Friday so I am sending you Can't shake the feeling again!

Have a lovely weekend and we will see you next week.
