

Tuesday 30th June 2020

Good Morning Reception Class,

Yesterday we listened to the story of Oliver's Vegetables by Vivian French.

Today I would like you to draw your own vegetable garden in your books. I would like you to think about the colour and

shape of the vegetable you would choose to grow. Rewatch the link again so that you can remind yourself about the different vegetable that Grandpa grew in his garden. Draw, colour and label your own vegetable garden.

<https://www.youtube.com/watch?v=2yvllKqyVUc&app=desktop>

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 10, Day 2 activity. Today you are going to play an addition game and count the vegetables you can see in Grandpa's garden.

Next I would like you to choose your favourite song on youtube and make up a dance to it. Then I would like you to teach that dance to a grown-up or anyone else in your family who would like to learn some new moves! Be patient when you are teaching them the moves and remember to give them lots of praise as learning any new skill takes lots of good listening and careful watching!

We will see you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
