

Thursday 16th July 2020

Good Morning Reception Class,

Today I would like you to listen to the story of Summer Days and Nights by Wong Herbert Yee. How many signs of summer does the little girl see? Does she see some of the things you saw on your summer walk? Look in your home learning journal and see what you recorded on Tuesday.

<https://www.youtube.com/watch?v=aPwcsNk18c4>

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 12, Day 4 activity. Today you are going to be using your pairs of legs to work out how to take numbers away from a larger group. Remember to count back carefully.

Next I would like you to find your favourite story book from home and ask a grown up to listen while you use the pictures in the story book to retell your favourite story to your grown-up. Ask for help if you need it.

See you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
