

Monday 30<sup>th</sup> March

Hope you had a good weekend; it was lovely to speak to so many of your parents and you - even though some of you just giggled 😊. It was also great to hear how many of you have been trying to do the work - well done!

Maths

Watch the video, get all your family to join in! Stand in a circle and using your hands count in 5's, what number to you finish with. Write that in your book. In my house we would get to 100!

English

Can you imagine that you are like 'Leaf' and are lost, what would you do, where would you go? Write your ideas in sentences in your blue book.

Write down some words that begin with the letters a,b,c,d,e and f- Remember to use your phonics to help you sound out the words, pinch your fingers as you do to help you and write each sound.
