

Friday 3rd April

Today would have been the last day of the Spring term and we would have been doing whole school Golden Time and an Eater hat parade - so rather than do lots of learning today you could

Design you Eater hat - think about what you want to put on it, what colours will you use? Draw it in your blue book.

Go outside and see how much of a mile you can walk.

Go on some of the websites that Mrs Swaysland sent to your parents.
