

Topic

Our Wonderful World

This term our topic is Our Wonderful World. We are going to start the topic by thinking about human and physical features. These are the things that make our world. Some things are made by people and some things are made by nature.

Our first lesson is thinking about human features, so things that humans have made.

We would like you to draw a picture of the things you see around you that humans have made, like your home, cars, fences, roads, shops, churches and mosques. Once you have drawn it then add some labels about what you have drawn.

Here are some examples that we have found on the internet.
