

Monday 11<sup>th</sup> May

The reason we had a bank holiday on Friday was to celebrate 75 years of VE day. Can you find out what people did to celebrate even though we were in lockdown.

English

One of the things that happened in the war was children had to be evacuated, which meant they had to go and live in the country so they could be safe. Can you imagine you were being evacuated what would you take with you? You can make a list or you can draw and label items in a suitcase like the one below.

Maths

<https://www.youtube.com/watch?v=rjUsuKbhqyk>

(sorry grown ups the man speaking is very slow!)

Can you start with 10 and then roll a dice take that number away from 10. Write down the calculation

10-3=7

Remember each time you will start with 10
