

Tuesday 19th May

The French flag looks like this

What flag has the same colours but in a different pattern?

English

Today I would like you to talk to your grown up about a time when you have shared nicely with your family. What did you share? What did you do? Who did you share with? Can you write down your answers in your blue book.

Maths

Using one of your feet from yesterday can you find out 5 things that are smaller than the foot, 5 things that are the same size and 5 things that are bigger.
