

Wednesday 17th June

I hope you are all well and trying your very best with your learning. I hope this week the weather is sunny! In a minute you are going to use describing words, I would say the shiny, bright sun! Do you think I am having a bbq today?

English

I would like you to do activity 1 you can look around your home and see if you can find 5 objects and then use a describing word (adjective) to describe it.

Maths

Can you do activity 1 and 2, if you have enough people in your house you could count and then the person that says a number with 5 in it has to sit out. If you don't have enough people you could do it with your toys!
