

Friday 10th July

You probably guessed it from the picture yesterday, it is a Victoria sandwich. Can you find out what is in the middle of a Victoria sandwich? Today is the last day of our learning for the week. Have a great weekend, try and go for a walk or do some exercise.

English

Dragons are renowned for hoarding treasure and valuables, usually in a deep dungeon under a castle. They like to keep things safely away from other people, especially knights on quests! Can you write down a list of things that you think this dragon would hide? Who would come and try and get the treasure back, would they manage to do it? How would they do it?

Maths

Ask your grown up to give you 2 numbers between 0 and 10 can you add them together, then can you use the same numbers to do a

subtraction number sentence. Challenge yourself and see how many you can do.
