Monday 30th March 2020

I hope that you had a good weekend and that you have been able to get on with your work okay. If you have any problems you can email the school and they will let me know.

This week you will have Maths and English everyday plus I have created some science and art work for you to do at some point this week. I have also sent some spellings for you to do, this week start with Week 1 Spellings please.

Maths

Answers from Friday…

1. 34 - 17 = 17
2. 65 - 26 = 39
3. 24 - 18 = 6
4. 36 - 17 = 19
5. 48 - 19 = 29
6. 24 - 18 = 6
7. 28 - 19 = 9
8. 23 - 17 = 6
9. 45 – 36 = 9

** Challenge **   99 – 10 – 13 = 76

Today we are going to move onto multiplication questions. Remember that this is when we count in twos, fives or tens to find the answer. You could also use your number line to do this.

1. 5 x 5 =
2. 10 x 2 =
3. 3 x 10 =
4. 6 x 5 =
5. 10 x 10 =
6. 12 x 2 =
7. 8 x 5 =
8. 11 x 10 =
9. 4 x 2 =
10. 8 x 10 =

Challenge

Can you write the inverse number sentences for these multiplcations?

For example: 5 x 5 = 25   25 ÷ 5 = 5

English

Well done for working on your apostrophes last week. It can be tricky to remember how to use them but the more you have a go, the better you will get at it.

Today I would like you to write some sentences to describe Zog using the possessive apostrophe.

So instead of writing Zog has soft wings you would write, Zog's wings are soft.

For a challenge make your sentences more interesting by using a range of adjectives.
