Friday 3rd April 2020

Maths

Here are yesterdays answers.

1. $12 \div 3 = 4$
2. $20 \div 5 = 4$
3. $16 \div 4 = 4$
4. $28 \div 4 = 7$
5. $21 \div 7 = 3$
6. $8 \div 4 = 2$
7. $20 \div 4 = 5$
8. $9 \div 3 = 3$

** Challenge ** Poppy has got 24 balls, she shares them into 4 equal groups, how many balls are in each group. 6

As we have now done all four operations, I would like you to test yourself with these questions, remember to check which operation you are doing.

1. $10 + 12 =$
2. $20 - 5 =$
3. $4 \times 5 =$
4. $4 \div 2 =$
5. $15 \div 5 =$
6. $23 + 24 =$
7. $50 - 10 =$
8. $10 \times 5 =$
9. $5 \times 6 =$
10. $20 \div 5 =$

> ** Challenge** If there are 34 cars in a car park and 12 more come in but then 15 leave, how many cars are there altogether?

English

Today I would like you to re-write these sentences using the correct punctuation, it might be a question mark, an exclamaition mark or a full stop.

What is that horrible smell	Good morning Year 2, said the teacher
Come and line up	How are you feeling today
It was a hot, sunny day	Why are you smiling
It's not fair	can you play the trumpet
