

Hello Year 2.

I hope you enjoyed created a map/obstacle course for maths yesterday. See if you can use your direction and position words when you go for a walk this week.

This week in Maths we are going to do so White Rose activities, we are going to start by recapping measure. You **DO NOT** need to do both sheets, but you can if you want to. The maths activities are on separate sheet to this but the link for the video to help you is here...

English

Read the next pages of the story and have a go at today's activity.

Activity

As you can see Tom has become stuck on the ice. What could he do next? What has he packed that might help him? Or is there something in his boat that will rescue him from the ice.

I would like you to write and illustrate the next page of this book to show us what happens in the story to Tom to get him out of the ice.
