

Hello Year 2.

Your answers for the maths today is a separate sheet on the website or in your email.

Today in maths we are going to use the four different operations and measure. The maths activities are on separate sheet to this but the link for today's video is here...

English

Read the next pages of the story and have a go at today's activity.

## Activity

Wow! What an amazing thing to see. The Northern Lights are very special and rare to see.

In today's lesson I would like you to find out about the Northern Lights. You can write your own information or have a go at answering my questions.

1. What is another name for the Northern Lights beginning with A?
2. How are the Northern Lights created?
3. Which countries can you see the lights from?
4. Can you see them from space?
5. Do other planets have something similar?
