

Hello Year 2.

Your answers for the maths today is a separate sheet on the website or in your email.

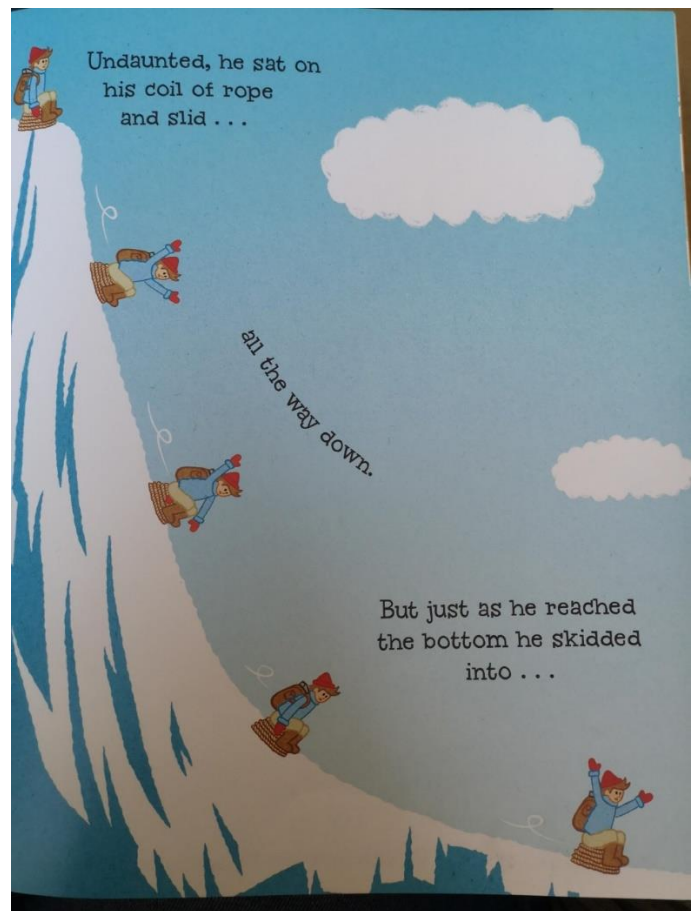

Today in maths we are going to do some problem solving. The maths activities are on separate sheet to this but the link for today's video is here...

English

Read the next four pages of the story and have a go at today's activity.

Activity

Goodness me, this book is so exciting, it has lots of twists and turns.

As you can see Tom has skidded to the bottom of a dangerous cliff and skidded into...

I would like you to finish this sentence by telling us what Tom has skidded into. Will he be okay? What is at the bottom of the cliff? Imagine the things that exist at the North Pole and what it could be. You could also add an illustration to your idea.
