

Hello Year 2.

As tomorrow is a Bank Holiday I won't be sending any work out but if you would like to do something you could create some Union Flag pictures or bunting to put up as tomorrow is the 75<sup>th</sup> Anniversary of VE Day, this is the day when World War II ended in 1945.

Also a special Happy Birthday to Hannah and Daisy who are celebrating their special lockdown birthday on Saturday - we hope you both have a lovely day with your families.

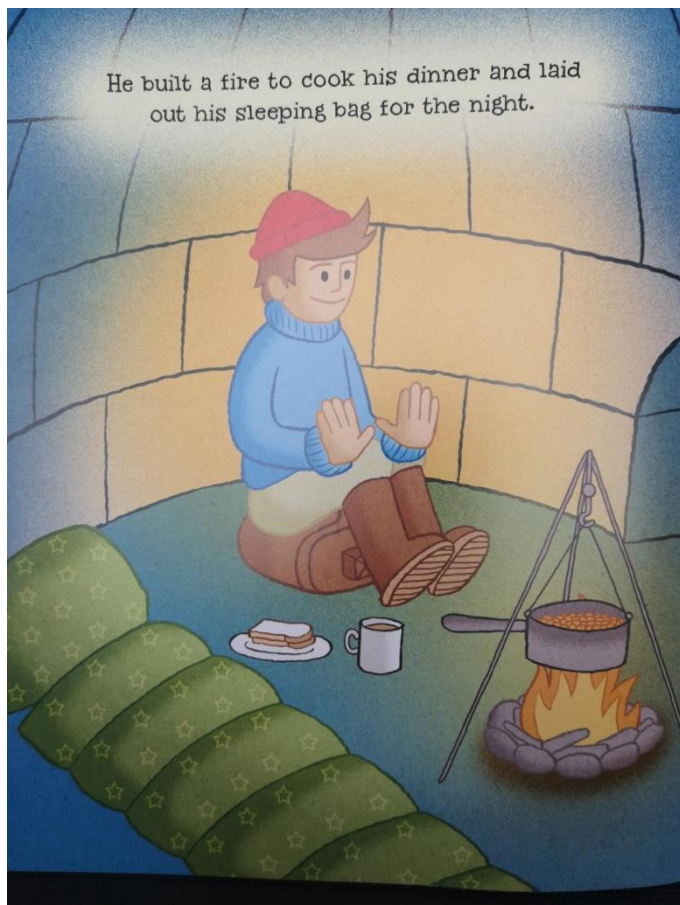

Your answers for the maths from yesterday are on a separate sheet on the website or in your email.

Today in maths we are going to add and subtract 1's. Please do as little or as much of the activities as you want to as there is quite a lot. The maths activities are on separate sheet to this but the link for today's video is here...

English

Read the next page of the story and have a go at today's activity.

## Activity

Tom does look nice and cosy in his igloo doesn't he?

Your first activity is to write down what you think you need to have to make a fire and how to light it.

Now, watch this video this by the Army to see if your idea is like this.

[https://www.youtube.com/watch?v=4w1y\\_wdyEh4](https://www.youtube.com/watch?v=4w1y_wdyEh4)

Have a go at writing down some instructions to make and light a fire.

First you need ...
