

Hello Year 2.

Thank you for your lovely messages and phone calls, I have enjoyed reading notes that some of you have sent me to the school, it has really made me smile.

A special Happy Birthday to George today! I hope you have an amazing day celebrating with your family.

Your answers for yesterday's maths are on a separate sheet on the website or in your email.

Today in maths we are going to be looking at bonds to 100. Please have a go at number one and two at least today.

The maths activities are on separate sheet to this but the link for today's video is here...

English

Read the next page of the story and have a go at today's activity.

Activity

You can see how important it is to make sure you have the right things when you have an adventure.

Wasn't it a good idea for Tom to pack some flares?

There are lots of rescue helicopters in the world that people use to get people to safety. Watch this video of the rescue helicopter that is based here in our country and the jobs they must do.

Today I want you to watch the video and then think about what you found out about this special helicopter. Can you write about what was inside of the vehicle and what the different equipment is used for?
