

Hello Year 2,

I hope that you have been able to read some different books whilst you have not been at school. I have been re-reading books that I used to like when I was younger, we talk about reading a book more than once to help build confidence but when I was reading my book by Terry Pratchett it helped me to remember what a funny book it was. Why don't you find a book you love and read it today?

Maths

Today we are moving on to sharing, remember in Year Two we start by sharing equally so if I have ten sweets and give you four that isn't sharing equally so I haven't done it right!

See link below

English

Yesterday we looked at a picture of some people that looked like they were camping in the snow! Today I would like you to write some questions you would like to ask these people to try and get some more information from them.

Remember that when we write questions it is important to use a question word at the start and a question mark at the end.

Here are some question words you could use... Would, Why, When, How, Where, Who, Which, What
