Title: Our Wonderful World

Who is this learning for?

KS1 - Year 1 and 2

What will you learn?

You will learn about the continents. This week is about North America and the focus city is San Francisco which is in the USA.

Click [here](#) to use this resource or do your own research using books and the internet.

Here are some things you could try...

North America is a very large continent, having a look at a map, plan out a journey to travel to different places that you think would be interesting to go to. Some places you might like to add would be the Space Centre, The White House, Yellowstone National Park, The Rockies, Maya Pyramids.

In the USA there are a lot of theme parks. This includes Disney, there are two Disney parks, one in California and one in Florida. Can you draw a picture of your favourite Disney character?

Mexico is famous for being quite colourful and full of celebration. Have you ever had a pinata? They are from Mexico. Have a go at designing your own colourful house or pinata.

Cinco de Mayo is a special Mexican celebration that takes place in May. Here is a link to a song that you could learn and perform to your family.
