

Hello Year 2,

We have another birthday to celebrate tomorrow, it will be Emma's birthday! We hope you have an amazing day with lots of great presents and we hope you make some nice memories.

I hope you all have a good weekend, don't forget it is Father's Day on Sunday so be nice to your dad, grandad, uncle and any other important people in your life. I won't be seeing my dad this year, but I will call him to see how he is. This is a photo of my and my baby brother with my dad when I was about your age.

### Maths

Today I would like you to have a go at this symmetry shape game.

### English

If you have enjoyed writing your diary every day, you could continue to do this over the weekend if you want to. Today I would like you to go back over the three diary entries that you have written this week. I want you to check it makes sense and use the checklist below to make sure you have written it well.

Here is your checklist

1. First person
2. Past tense
3. Use adjectives
4. Capital letters for start of each new sentence and any names of places or people
5. Full stops at the end of every sentences
6. Finger spaces between each word

Once you have gone through the checklist, I would like you to see if you can improve your writing by adding any new or more interesting words than the ones you have used.
