

Hello Year 2,

I hope you have been doing some of the Arts Week activities on the Arts Week sheet as well as the activities I have been sending. Please send any pictures of your work to the office so they can share it with all of us in school this week.

Maths

Today is our first day of telling the time, we have not really spoken much about time this year as we always do it at the end of the Summer Term. Here is the link to the video today...

English

In school we have been doing BBC Ten Pieces with the Key Worker group and have really enjoyed the different activities. Today I would like you to listen to the videos for Week One (scroll to the bottom of the page on this link). Once you have seen the videos, have a go at writing a poem when you listen to the music again.

First...

Delve into the musical travels of *The Little Train of the Caipira*; a piece of music written by Heitor Villa Lobos. His music describes a shuddering, juddering steam train chugging through Brazil and carrying the 'caipira' or 'people of the countryside' off to pick berries in the fields.

Then...

Let your imagination run wild as you follow Simon Mole's step-by-step guide in creating your own poem. Where will you go? What will you see? Who will you meet?
