

Hello Year 2,

Goodness me, it's Friday already, what a busy week of arts we have had. If you have not already had a go at the activities on the Arts Week sheet that was sent on Monday, please can you have a look today and choose something to have a go at.

## Maths

Today I would like you to have a go at this song and dance by Supermovers and then use the second link to make different times with a clock.

## English

Today I would like you to listen to this piece of music and write down words that you think of when you are listening to it. These can be words that describe the sounds that you hear or pictures you may see in your head, it may even be a list of words describing the instruments that you can hear too. Once you have written some words, then have a go at adding a picture to go with the music or having a dance!
