

Friday 3rd April

Well today is the last day of term. We have been working at home for two weeks now and it has been great chatting to you all – I do miss you. As it is the last day of term, maybe you can convince your parents to let you have a film this afternoon? Because I like to be organised, I bought you each an Easter egg about 5 weeks ago and they are currently in Mr Newns' office! Unfortunately, because we must follow the rules of staying at home and not making any unnecessary journeys, I can't get the eggs to you. However, when we are together again you can have one, so you can look forward to that. Luckily, they are not in my house, so my family and I can't eat them instead.

English

Imagine you are in this picture. Everything that you can see is made from sweets. All different types of sweets.

You need to describe what is there and remember to use all your senses: sight, hear, touch, taste and smell. Challenge yourself to use exciting vocabulary and adjectives. Try not to use the same ones each time.

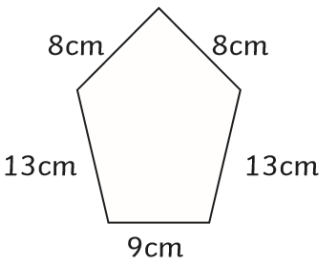

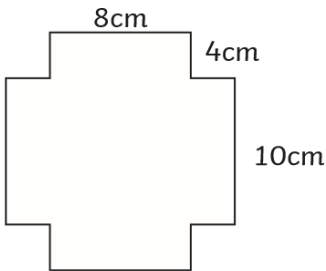

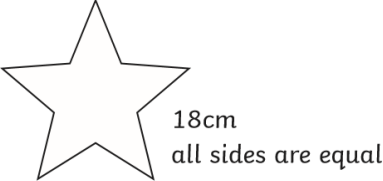

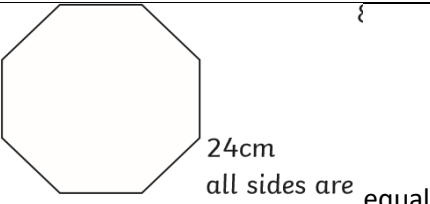

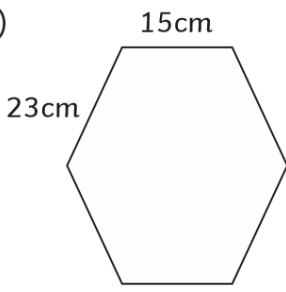

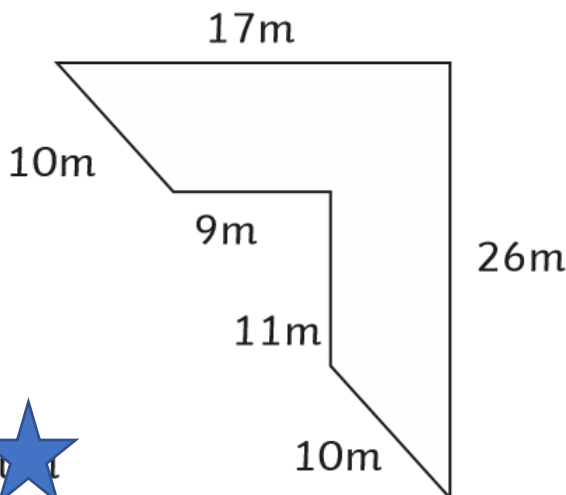

Would you like to live in a house like this one? Give reasons for your thoughts.

Maths

Well done if you attempted the tricky perimeter questions yesterday. Here are the answers:

- 1) $8\text{cm} + 8\text{cm} + 5\text{cm} + 5\text{cm} = 26\text{cm}$
- 2) $11\text{cm} + 11\text{cm} + 3\text{cm} + 3\text{cm} = 28\text{cm}$
- 3) $12\text{cm} + 12\text{cm} + 4\text{cm} + 4\text{cm} = 32\text{cm}$
- 4) $19\text{cm} + 19\text{cm} + 15\text{cm} + 15\text{cm} = 68\text{cm}$

Now here are some shapes to calculate the perimeter. You now some of the lengths of the sides but not all. How do you work them out? Talk about it with an adult first then work it out in your blue book.

<p>1)</p> 	<p>2)</p> 
<p>3)</p> 	<p>4)</p> 
<p>5)</p> 	<p>Challenge</p>  <p>★</p>

Other activity ideas:

- Play a game of Simon says
- Design a new car
- Play TTRS
- Watch a movie then write a film review and email it to me at Office@ivingswoodacademy.org to tell me if I should watch it with my family

I hope that you and your families continue to stay safe and well. All the teachers have been working on a special challenge for you to try throughout the Easter break. Mrs Swaysland will be emailing it to you – good luck. Hopefully the weather continues to be good, so we can all either play outside or go for a little walk for exercise. I will be calling you all once over the next two weeks, so you can tell me what you have been up to.

Take care,

Mrs C Flynn 😊
