

Wednesday 13th May

Morning Everyone,

Alongside this daily work you should also receive the Science and Topic learning sheets. Remember these are to be completed at some point throughout the week. I have enjoyed the map skills work and this week we are learning about time zones.

English

Our learning today is based on the story of 'The Enormous Pumpkin.' Follow the link below to watch the story and then complete the activity on writing a diary entry.

Maths

We are continuing with learning about money. Well done for converting between pounds and pence yesterday. Today we are going to be adding money. Following the link, we are on Summer Term – Week 3 – Lesson 2 – Adding Money. I know you were good at this when we worked together in class, so I know you will be great at this too.

I will be making my calls again this week, so I look forward to speaking to you all soon.

Mrs C Flynn 😊
