

Tuesday 9th June

Morning all,

This week is Bike Week. I know that some of you have bikes because I have spoken to you about riding them. I recently got a new bike so I can ride along with my children now. It can be very fun, and you should make sure you are safe by wearing a helmet. I have attached an extra activity to design a bike that could travel around the world and a bike word search.

English

The lesson today is called 'Mastering Inverted Commas' and comes from BBC bitesize. Inverted commas (speech marks) are used to indicate who is talking in a story. There are special punctuation rules to use. Watch the clip to learn the rules and find the suggested activities. If you would like to write me a story, I would love to read it. Remember I will be expecting good handwriting and punctuation to be correct as well as an entertaining read.

Maths

We are continuing our maths learning using the White Rose videos and work guides. This week we are learning from Summer Term – Week 6 – (WC 1st June) and our lesson today is Lesson 1 'Fractions on a number line.' Click the link below to find the learning clip and the work has been sent separately.

Well done everyone and keep up the hard work.

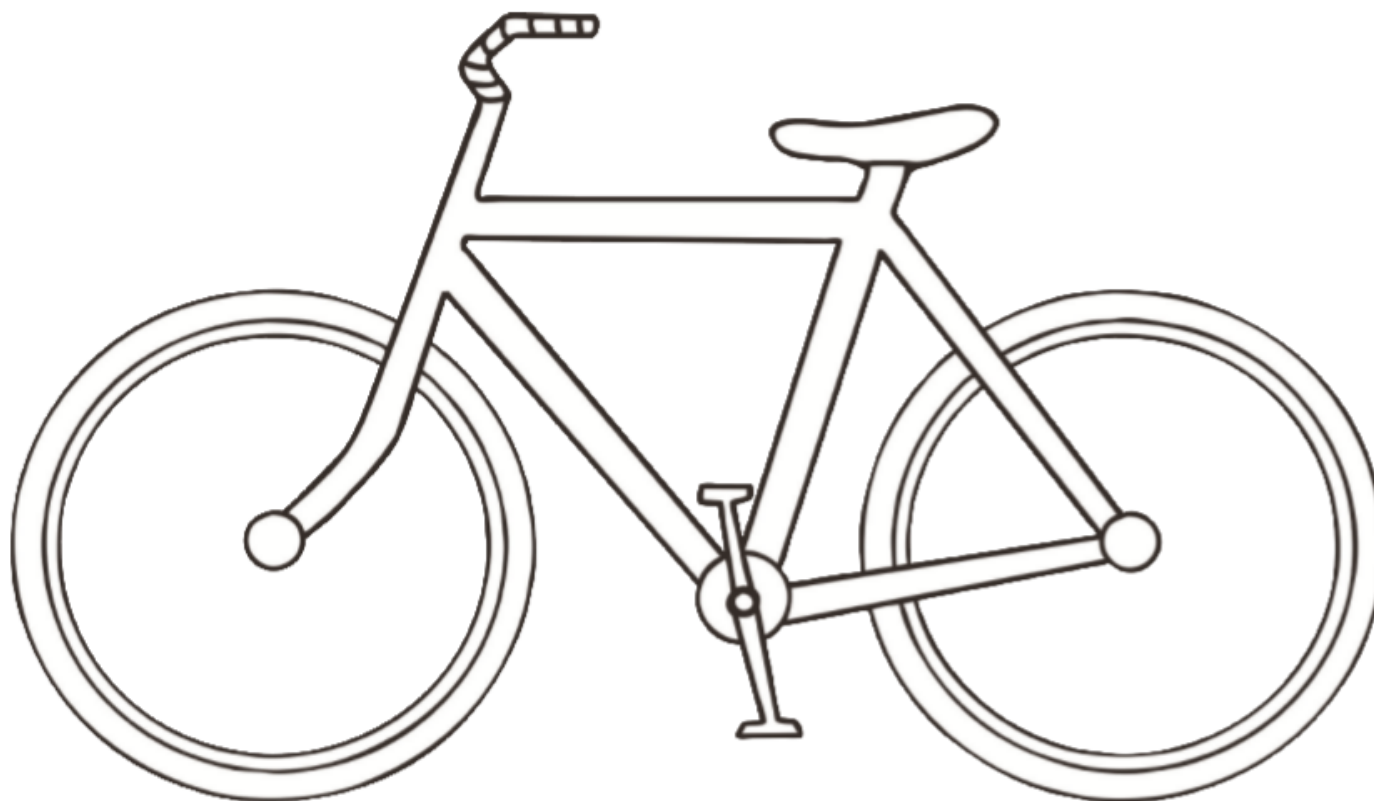

Mrs C Flynn 😊

Design a Bike for a Round-the-World Trip

Some incredible people have actually cycled around the world! It takes a long time and is incredibly challenging – you also need to have a bike that is ready for anything! Use the tip list below to help you create a bike that's perfect for the trip.

Tip List

- What features could help you in scorching hot conditions?
- Can you think of things to aid you in cold climates?
- What will stop you skidding when it's icy?
- What technology could help you track your ride and keep in touch with friends?
- How will you cope with different terrain?
- Where will you store clothes, spare inner tubes and other essentials?
- Be as creative as you can!

Extension: What essential kit would you pack for your around-the-world cycle? Remember – you can only carry a small bag!

Bike Parts Word Search
