

Tuesday 16th June

English

The English learning today comes from one of my 'all time' favourite books – Kensuke's Kingdom by Michael Murpurgo. This lesson involves reading a short extract (part) and answering questions about the character. I do hope you like it. Follow the link to the BBC bitesize page to find the video of the story being read and the suggested activities.

Maths

The maths lesson today is all about statistics and data. When we learnt about this in class you were good at reading pictograms and bar charts. There are videos to watch and activities if you follow the link. Once you have seen the topic of the graphs - can you think of anyone in our class who will particularly enjoy this learning? <https://www.bbc.co.uk/bitesize/articles/zmtx8hv>

Other activities

- ❖ TTRS
- ❖ Write a book review for a book you have read at home
- ❖ Help prepare lunch (and even tidy up afterwards!)

Well done everyone,

Mrs C Flynn 😊
