Good Morning Reception Class,

I hope you had a great weekend. It was really lovely to speak to so many of you on the phone last week and hear how you are all doing. We miss you!

Today we are going to listen to the story of Superworm by Julia Donaldson

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 5, Day 1 activity. Today you will be creating symmetrical art work and spotting patterns using minibeasts.

I would like you to play eye spy and find something in your home or outside beginning with s, t, r, l, m, n

To keep ourselves fit today we are going to try a beginner's ballet class. Some of you may have tried ballet before. Remember it is for boys and girls so give it a try and see if you like it!
