Good Morning Reception Class,

Today I would like you to watch the traditional tale Jack and the Beanstalk. I bet you have heard it before as it's a very famous story. Do you remember how we grew beans in the classroom? I wonder how tall your plants are now?

Now I would like you to retell the story to someone in your family. Remember to start with Once upon a time.....When you are retelling your story try to use different voices when you are being the different characters. You could use a big booming voice for the giant and think about how Jack's mum and Jack might sound.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 5, Day 3 activity. Today you are going to move like a worm!

Today there will be a separate sheet about our topic for this week and ideas for activities you can do at home to learn even more about minibeasts or bugs and insects as they are also known.

Right time to burn off some energy! Go Noodle!

Follow the link bellow and show your family how to Go Noodle!
