

Wednesday 8th July

English

In English today we are learning how and when to use bullet points. We use these when writing notes or in other non-fiction writing. I use bullet points a lot when writing in a meeting. They show me, clearly, what was said and what I must do after the meeting. Follow this link to the learning. <https://www.bbc.co.uk/bitesize/articles/zr2vtrd>

Maths

Today you have an alphabet challenge for maths. It was sent as a separate document.

My first name is worth 47p as I have 3 vowels in my name. Who will have the highest score in your household?

Other activities

-  Art Week activity
-  Science / Topic work
-  Play a board game
-  Learn to tell the time

Well done

Mrs C Flynn 😊
