Activity one

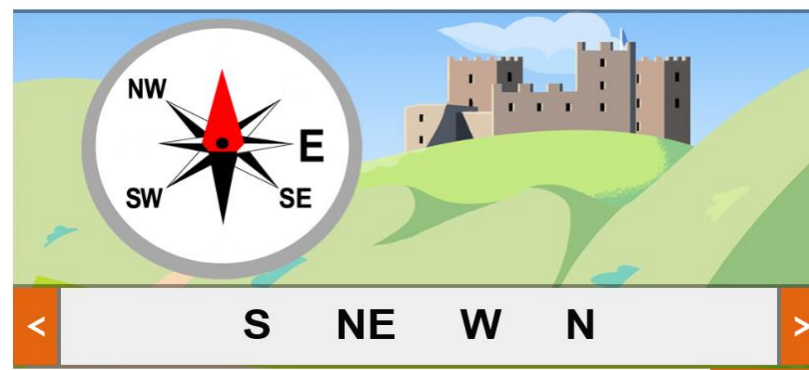

Play this game from the link above.

Activity 1

Label the compass

Help Sue find her way to the castle by labelling the compass.

▶ Help Sue find her way to the castle by labelling the compass.

Activity 2

Draw a map of your lounge / front room. Make sure you include details like where the sofa is and where the windows and doors are. Then ask a parent to hide your favourite teddy in the room somewhere. Then ask them to mark an X on the map, so you can find the item.

Activity 3

Go to Google Maps and find your house. Can you write instructions to get from your house to school? Remember to explain which direction to travel in, the road names and which way to turn.
