

Year 4 Thursday 7th May 2020

Hi everyone,

Today for English please look at Wednesday's lesson: Wednesday 6th May. This lesson is all about how we use conjunctions in our writing. Conjunctions are used to link parts of a sentence together; joining words. Do you remember learning about these back in the autumn term? The main ones are

- and
- but
- or

However, there are quite a few that we know how to use, and we can remember them by using this mnemonic: FANBOYS

1. for
2. and
3. nor
4. but
5. or
6. yet
7. so

Here is the link:

<https://www.bbc.co.uk/bitesize/articles/z48xt39>

There are two clips to watch, then three activities:

1. Highlight the coordinating conjunctions that you can see in the clip.
2. Copy and complete the sentences using coordinating conjunctions - use your blue book.
3. Write four of your own sentences to describe the pictures of the dinosaurs you can see. Challenge yourself to use a coordinating conjunction in each sentence!

To give you some help there is a conjunction support sheet of FANBOYS that you could use in your writing. Good luck! 😊
