

Wednesday 10th June 2020

Good Morning Reception Class,

Today I would like you to read your favourite book at home with your grown-up. It could be a story book or an information book. I would like you to use your phonics to help you read some of the words for your grown-up. You might recognise some of the words by sight or you may sound them out and then blend them together to hear the word. Looking at books together and trying to read some of the words yourself will help you develop your reading skills ready for when you come back to school to dazzle me with how much you can now read!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 7, Day 3 activity. Today you are going to play some magic counting games.

Today there will be a separate sheet about our topic for this week and ideas for activities you can do at home to learn even more about farm animals.

Right time to burn off some energy! Go Noodle!

Follow the link below and show your family how to Go Noodle!

<https://family.gonoodle.com/>

See you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
